

# YAGs

YAGs is an English-speaking group for young adults, ages 18 - 30+, single or married, whose purpose is to be a place of fellowship, social opportunities for young adults, friendships, and contacts with relaxed, casual, interactive teaching times.

YAGs is open to everyone and is not limited to EBCG. It's our desire that the group is a place to start the search for God as well as grow in our faith.

YAGs tries to mobilize young adults for service. While YAGs is not a Bible study group, there are times of worship, digging in scripture and sharing from our own experiences & knowledge. There are also evenings just devoted to having fun together.

For young adults in Geneva, it can be difficult to find friends and feel a sense of community. YAGs hopes to be used by God to encourage, edify, and care for young adults in the Geneva area.

Come join us.
