January Mission Project: Global Aid Network (Al and Susan Goff)

EBCG has had the privilege for many years of supporting the work of Al and Susan Goff with GAI International (Global Aid Network). Al and Susan provide leadership to GAI, which is the humanitarian aid ministry of Campus Crusade for Christ, International.

Al was instrumental in helping Campus Crusade start its first humanitarian ministry in 2002. GAI expresses the love of Jesus Christ in the toughest places on earth by relieving suffering and restoring dignity, often responding first in moments of great crisis.

Through the response of love and help coordinated by Al and his team, the local ministry is able to advance the Kingdom of God through building Christ centred, Spirit-filled movements of multiplying disciples, while bringing practical care and much needed aid.

Al and Susan and their two children, Matthew and Joshua lived in Geneva and were active members of EBCG. Al served as a Deacon and Elder during their time here and Susan helped lead the women's ministry. Please keep this dear family in your prayers.

Thank
You

Thank you for your generous giving to our Missions Projects each month. Please identify any online gifts using the comments section of the bank transfer with the project name listed in the bulletin. Please also remember to change the comment if you make a gift the following month. All gifts can be made using the EBCG banking details above.
