June Mission Project: *Ichtus Student Outreach*

EBCG is privileged to have established new partnership last Spring, introduced by a new member of our community who has served on the board of Ichtus Vlaanderen. Ichtus is a community of students, staff, volunteers and other stakeholders wanting to shine the light of Jesus in the Flemish-Belgian university context.

Designed to help students and reach out with the love of Christ. Ichtus gives students the tools to be the hands and feet of the gospel in the student world through study, prayer, discipleship, social action and much more. Ichtus is the Greek for "fish", used in the early church as an acronym of the Greek "Jesus Christ, God's Son, Savior"

The first Christians used this sign to show that they were Christians. The Ichtus ministry provides a safe place for students to raise questions about the intersection of faith, study and work. Ichtus also has an active ministry to the many foreign students arriving in Belgium for study.

Please let's pray earnestly and give generously to the ministry of Ichtus in the challenging context of the university setting in the Flemish-Belgian culture. What a joy to come alongside this team in their work!

Thank
You

Thank you for your generous giving to our Missions Projects each month. Please identify any online gifts using the comments section of the bank transfer with the project name listed in the bulletin. Please also remember to change the comment if you make a gift the following month. All gifts can be made using the EBCG banking details above.
