November Mission Project
Open Doors

Open Doors puts a clear focus on serving the most persecuted Christians, those suffering hostile actions which put their lives in difficulty and danger. In 2019 Open Doors implemented 205 programs helping around 6.7 million persecuted Christians, throughout 69 countries in the Middle East, Asia, Africa and Latin America. These holistic programs are designed together with the persecuted church and address their spiritual and practical needs, with a main focus on a variety of biblical trainings (for example persecution preparedness training) as well as providing practical support and emergency relief.
In the UK, Switzerland and other Western countries, Open Doors connects the persecuted church to the rest of Christianity, by raising awareness about global persecution, mobilizing for prayer and speaking out in advocacy. Many thanks to all the people at EBCG who support us and partner with us. Thank you for praying with the persecuted church so that the Body of Christ can be encouraged and strengthened!

Thank You

Thank you for your generous giving to our Missions Projects each month. Please identify any online gifts using the ***comments section*** *of the bank transfer with the project name listed in the bulletin. Please also remember to change the comment if you make a gift the following month. All gifts can be made using the EBCG banking details above.*
