

EBCG Jubilee Spring 2021 Update

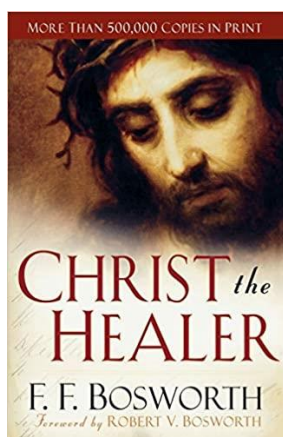

Since last September we have been celebrating this Jubilee year with gratitude for the marvellous deeds the Lord has done, and with anticipation of the wonders He will yet perform. In the words of Ephesians 3:21 this year's theme scripture, "To him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." Recent Events

One of the aims of this jubilee year is to bring together the EBCG community to have fun and create memorable moments together.

The **Virtual Quiz Night** lead by Karen Wong with the support of YAGs and COAH ministries helped to fulfil this aim. It was wonderful to have both present and past EBCGers near and far away as Canada and USA join. We had something for all ages and the kids had loads of fun, getting many of the answers correct....and the little ones shall lead them. The game night material and instruction is available for ministry and small group to hold your own "Jubilee-Game Night". Email Jubilee Team if interested! (50thanniversary.ebcg@gmail.com)

The **Jubilee Book Club**, hosted by the Bookstall Ministry has started! The club brings together both past and present members of EBCG who share a common love for reading books.

Having completed Bonhoeffer's deeply penetrating exploration of Christian Community in his book titled *Life Together*, the group is presently reading F.F. Bosworth's argument for supernatural healing today in his book *Christ the Healer*, available at Kindle. The next meeting takes place on **Friday May 7th starting at 8:00pm**. The Book Club is open to everyone interested. Contact Marina at bookstallministry.ebcg@gmail.com

A huge thank-you to all the contributors in Geneva and across the world who shared about Christmas in their countries and sent greetings at the Zoom **Family service on December 28th, 2020**. We learnt about how Christmas and New Year is celebrated in Korea and Russia. We were also blessed by this Virtual Christmas Play produced by COAH, take a look in case you missed it: https://youtu.be/zMaUeKxM_vc
