EBCG Jubilee celebrations

An Update

Why we celebrate

- Celebrations give people a reason to pause, unite, focus and rejoice – and the EBCG's Jubilee year does just that.
- We celebrate God's faithfulness to us over all these years
- We celebrate the privilege of being involved in the start of Westlake Church, Nyon and the Chinese Bible Church, Geneva
- We celebrate contributing to over 30 mission organizations through prayer, finances and in person support.
- In this Jubilee year and beyond we desire to see God's continuing work in and through the EBCG.

What is coming up in 2020-2021

- Pre-COVID-19 – **Weekend celebrations on September 26-27** for all ages including a children's spectacle, Geneva tour for visitors, city wide prayer walks, dinner party, special Sunday morning prayers, an all age service, and Sunday evening worship and honouring ceremony.
- **New Plans** – Jubilee celebrations extended throughout the 50th anniversary year.
- Starting with a special all-age service on September 27th to open the year of celebration.
- The weekend of celebration activities mentioned above takes place some time in 2021 if the conditions allow.
- New plans on track to maximize the opportunities for EBCGers, past and present to be involved in meaningful ways, making the most of online and virtual communication tools.
